Diversity, Minority, and a Woman-Owned

We are proud to be certified by renowned certifying bodies, including NMSDC, WBENC, SBA, State of New York, and State of Pennsylvania. Our WBE, MBE, WOSB, SB, and SDB certifications highlight our commitment to diversity and inclusivity.

Cost-Effective

Our strategic recruitment approach reduces time-to-hire and operational costs by 60-80%. As a 100% virtual organization, we operate with significantly reduced costs, allowing us to pass on savings to our clients.

Tech Savvy

Leveraging AI and utilizing the best job boards and recruitment tools, we stay at the forefront of technology to ensure efficient and effective recruitment.

Engagement

We proactively work with a sense of purpose and deep commitment to achieving the goals of our applicants and clients.

Solutions Driven

Collaborating closely with our clients, we develop strategic approaches aligned with their overall objectives.

Our People

Our recruiters are subject matter experts in their respective fields, enabling us to quickly adapt and meet the specific needs of our clients.

Artificial Intelligence is transforming industries across the globe, creating new opportunities and demands for specialized talent. Whether you are embarking on new AI initiatives or looking to enhance your existing partnership with us, ATD Technology is here to provide the talent and expertise you need from Temp to Perm, Permanent Placement, Contract Staffing and Executive Search.
